Namibian Culture Museums

Namibia has many active museums as well as a growing number of art galleries and craft centres.

Namibian food

Food plays a very big part in all cultures in the world and for Namibia it is no exception. However it is a bit more complicated when it comes to Namibia; as it hosts eleven different ethnic groups; hence one particular dish cannot be singled out; rather the most favored and dishes with influences from countries like South Africa.

Namibian traditional dress:-

Namibia has a wide variety of folk dress that reflects the diversity of customs, traditions and ethnic groups as shown in the following photos :

Namibian architecture :-

Below are a set of photos featuring various styles of Namibian architecture which is emblematic of rich cultural legacy in this African country.

Namibian folk dance :-

One of the most essential aspects about indigenous Namibian dance is that it plays a social rather than a theatrical role. A large variety of dance practices are established all over the country. The following photos show a variety of folk dance in Namibia.
